1"-Profile Foundation-Style Base – The low-profile design easily fits inside the frame of your bed.

Head and Foot Articulation or Simultaneous Movement – Effortlessly raise the head, foot, or both simultaneously to find your perfect relaxation position.

850-lb. Lift Capacity – This high-performance base easily lifts up to 850 lbs. total maximum weight, including the mattress.

Wired Remote – The sleek, tethered remote allows you to effortlessly raise the head and foot with the touch of a button.

MicroHook™ – Our exclusive MicroHook™ retention system eliminates the need for a mattress retainer bar at the foot of your bed, providing a sleeker, more modern look.

Sync Cable – Included with split sizes, the sync cable allows both bases to raise and lower simultaneously.

Available in the following sizes: Twin, Twin XL, Full, Full XL, Queen, Split Queen, and Split California King.
